

HOUSTON SECONDARY SCHOOL

STUDENT SUPPLY LIST

This is a list of **minimal** requirements. Different supplies are required in some courses, and this information will be included on course outlines given to students at the start of each course. School supplies are often on sale in August, so it is recommended that additional pens, pencils, paper be purchased, as the initial list will not last the year.

There are some supplies available in the office to purchase if your child does not have his or her own supplies*.
